REPORT OF THE GOSHEN CEMETERY COMMISSION

The services of a masonry contractor, experienced in cemetery work, were secured and the three Goshen cemeteries were renovated during the year. Monuments were repaired and straightened, fences painted and gates replaced.

Following the completion of work in the Corners cemetery vandalism occurred which did irreparable damage to many historic stones. The restoration will be a large expense in the coming year. It is suggested that any unusual or suspicious activity in any of our cemeteries be reported immediately to the police.

REPORT OF THE SECRETARY OLIVE G. PETTIS LIBRARY, 1972

The trustees met ten times during 1972.

The library floor was refinished by Mr. Gordon Nelson, paid by the Friends of the Library who also gave a rug and waste basket and donated the prizes awarded at the May Open House to the children for illustration of books they had read.

Movies for adults and children obtained from the State Library were shown by Mr. and Mrs. LeClair.

Advisory Council meetings were attended by the trustee delegate and the librarian.

Among books donated to the library were ones in memory of Susan Scranton Davis and Mr. George Gregg.

A food sale was held at Newman's Store in July.

The book fair sponsored by the Friends of the Library was most successful and many thanks go to all who contributed books, food, plants and white elephants as well as to those who patronized it.

GOSHEN POLICE DEPARTMENT REPORT

Increasing calls were answered and complaints received. While there were several breaks during the year, many were solved. I would like to thank Deputy Bruno, Lempster's Chief of Police, for his close cooperation, and thanks to the State Police also for their coverage of our town.

HOWARD CARON
Chief of Police

REPORT OF THE FIRE DEPARTMENT

This year the fire department answered 10 calls with 64 men responding. Estimated fire loss is \$12,750.00.

Our phone number changed this year (863-4311) and this number rings three phones instead of one as in the past. New fire cards have been distributed and please use this number for emergency calls only.

Our annual auction was very successful again this year and a check for \$1,000.00 has been turned over to the town for payment of the Fire House note.

A training program has been introduced and by the time this report is printed the firemen will be participating.

Several pieces of equipment have been added this year to make the fire department more effective.

My sincere thanks to all of the firemen for their help and cooperation and to the citizens and taxpayers of Goshen for their efforts and help with fire department activities.

Respectfully submitted,

EDWIN I. BAKER
Chief

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT FIRE CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned — 1972 season:

State	410 fires	361 acres burned
District	33 fires	10 2/3 acres burned
Town	0 fires

REPORT OF THE BUILDING INSPECTOR

Permits were issued in 1972 for six new homes and the placing of four mobile homes. Complaints were followed up and put before the Planning Board.

NEWPORT AREA HOME HEALTH AGENCY

Services available to Goshen were: Care of the sick and injured, crippled children's services and follow-up, care of the mentally ill and mentally retarded, care and treatment of communicable diseases, teaching of the patients and their families regarding nutrition, proper care, and ways to make the patient comfortable with the least effort on the family members. The Home Health Agency nurses are also a great source of information about other resources that the patient and family should or could use.

Goshen patients who were in the Newport Hospital and needed post-hospital care or planning for care, were assisted by an Agency nurse as a hospital referral coordinator.

A Well Baby Clinic was established so that those who cannot afford regular baby physicals and medical evaluations may be seen by a doctor and nurses on a regular basis.

The Agency has been able to maintain and promote programs that make total and comprehensive nursing care available to the people of Goshen.

Because the Agency is Certified, Medicare patients in participating towns are eligible to have visits that are ordered by their doctors covered by Medicare. All the services provided are equally available to people of all ages and incomes. Many insurances will help pay for visits. Patient payments are based on a sliding scale according to income and size of the family.

Town funds given to the Agency were used to make up the difference when the sliding scale was applied, to pay for services not charged for, and to maintain and improve the services so that they are available as needed.

Goshen did not continue to participate in the Agency after July 31, 1972. In ½ year there were:

6 Home Health visits made as requested.

2 patients received 3 visits by Hospital Referral Coordinator

10 Free Immunization Clinics — 16 Goshen children attended.

(This service was available to Goshen all year.)

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Citizens of the Goshen-Lempster Cooperative School District:

ENROLLMENT

The present number of students totals 102 in Grades 1-8 — served by a teaching staff of five full-time and three part-time positions.

Sixty-two students are attending area high schools: one at Sunapee, two at Keene, and 59 at Newport.

A five-year tuition survey may be of interest:

High School	1968-69	1969-70	1970-71	1971-72	1972-73
Claremont	5	3	1	1	0
Sunapee	1	1	1	1	1
Keene	0	1	1	1	2
Newport	42	53	55	55	59

STAFF

Goshen-Lempster has been fortunate to have had very little turn-over in the teaching staff in recent years. Present personnel is as follows:

Name	Training Institution	Degree	Total years of teaching through June 1973	Total years teaching at Goshen-Lempster through June 1973
James Russell Head Teacher	Northeastern University	BSE	6	6
Irene Cain	Univ. of Vermont & Keene State College	ME	8	8
Ethel Jarvis Grades 4 & 5	Keene State College	BE	3	3
Jan Bradeen Grades 2 & 3	Whitewater College & Keene State College	MA	9	7
Marjorie Patterson Grades 1 & 2	Keene State College	BE	1½	1½

Part-time personnel include:

Elizabeth Barrett — Reading Improvement — Title I

Ruth LeClair — Library Aide

Mary Ann Thomas — Music

The entire staff works as a congenial group, dedicated to the students and making a conscientious effort to meet their individual learning needs.

BUILDING

It was possible to carry out a project on the building so that the library area was more than doubled in size and corrections were made to the roof design in this area. The details of this project were conceived and carried out under the direction of the Chairman, Stanley Williamson. He deserves much credit for his time, interest, and efforts.

LIBRARY SERVICE

The addition to the Library area made it possible to include space for shelving, tables, and other materials for cataloguing and maintenance.

The services of Mrs. Ruth LeClair were obtained as a Library Aide to work with pupils and teachers. This will include work in proper library usage, purchase of adequate library collections and service as a resource person for children and staff. This added service will be one step toward complying with New Hampshire Minimum Standards.

MINIMUM STANDARDS

A tentative time sequence has been established for compliance.

SCHEDULE OF IMPLEMENTATION:

School Year

1972-73 Library Service

Health Education (Union-wide study)

A curriculum study is underway. The needs of the Goshen-Lempster School will be included, with the expectation of the completion of a Curriculum Guide for use in 1973-74.

1973-74 Principalship Requirements.

Provide some released time for the designated Head Teacher to perform some supervisory responsibilities.

1974-75 Art Education.

Attempt to build up additional teaching materials and equipment for greater staff effectiveness in this area. Investigate opportunities to provide a part-time qualified teacher whose services might be shared with other districts.

1975-76 Special Education.

Continue to explore possibilities of sharing trained personnel with other districts or tuitioning Special Education students to a school offering this program.

1976-78 Guidance Service and Physical Education.

Work to provide specialized personnel in these areas.

The practicability of implementation will be influenced largely by the approach the State of New Hampshire takes toward school funding. The present situation makes implementation more theoretical than actual. Pending court decisions could drastically effect the present situation.

CONCLUSION

Goshen-Lempster School is well-served by the Wilber Campbells, the Charles Newtons, and Mrs. Connie Hooper, in transportation, custodial, and lunch services. These persons who provide these services are too often taken for granted and not given the recognition they deserve.

Respectfully submitted,

GORDON B. FLINT

REPORT OF HEAD TEACHER

1972 proved to be an interesting and busy year at our school. The fall not only saw the return of all five full-time teachers, but a greatly expanded library with Mrs. Ruth LeClair as our part-time librarian. We were able to combine a needed roofing job with the desired library expansion to qualify for state aid in this project.

Mrs. Marjorie Patterson has returned to teach first grade as have Miss Jan Bradeen in grades 2 and 3 and Mrs. Ethel Jarvis in grades 4 and 5. The sixth and seventh and eighth grades are shared between Mrs. Irene Cain, teaching Math and English, and Mr. James Russell teaching Social Studies and Science.

We are fortunate to have Mrs. Elizabeth Barrett on a three-day-a-week basis, under the federally funded Title I Reading Program. Mr. A. J. Soucy, Teacher Consultant, administers the Title I Program, as well as ably assisting the teachers in the school. Mrs. Mary Ann Thomas, teaching Music one day per week, rounds out our teaching staff.

The year started out on a musical note, with a January appearance of Mr. Earl North's Newport High School band for an afternoon of music that interested all.

The Spring Variety Show let us find out about the hidden talents of the children of the Goshen-Lempster School. A large crowd packed the cafeteria to enjoy the singing, dancing and acting under the direction of Mrs. Thomas and Mrs. Jarvis.

With June and graduation approaching the eighth graders spent a morning at Newport High School trying to find out what lay ahead of them. Mr. Herbert Williams, Director of Guidance, then came to the school to assist the graduates in course selection.

The graduates made their class trip to the Boston Museum of Science and Canobie Lake Park. Graduation was held June 16th in the school auditorium. The speaker was Mr. Richard Mulcahy. The valedictorian was Janette Goyette and the salutatorian was Susan Thorngren. Mr. Williamson presented the diplomas after an invocation by Rev. Richard Reynolds. Music was under the direction of Mrs. Thomas. Refreshments were provided by the Parents' Club. Mr. and Mrs. Campbell donated flowers.

This fall new activities were begun and old ones continued. The sixth, seventh, and eighth grades made a trip to the New London Historical Society while the second, third, fourth and fifth grades visited Fort #4 in Charlestown. Mrs. Killoran has been able to expand her

once a week sewing program to include sixth, seventh, and eighth graders.

This year the Parents' Club again sponsored the Dental Clinic with Mrs. Wright as Chairman and Mrs. Cain as Teacher Coordinator. Dr. Houlihan of Claremont is the dentist. Interested parents and friends provided transportation for the children.

The 1972 Christmas assembly featured a program of music directed by Mrs. Thomas.

We would like to express our appreciation here to those people who by their daily actions and attitudes make our school a better place: Mrs. Hooper, our cook; Mrs. Newton, our janitor; and the Campbells, our bus drivers.

We wish to express our appreciation to the members of the School Board, Mr. Gordon B. Flint, Mr. John Sokul, Mr. A. J. Soucy, Mrs. June Buck, the Parents' Club, and to all for their interest and efforts on behalf of our school.

Respectfully submitted,

JAMES F. RUSSELL
